Legend
Light blue box: route and screen (guard in brackets) · Yellow box: modal dialog · Grey box: start state · Arrow: navigation or event, labelled with condition
Signed-out visitor on a to-do route is replaced to /login?returnTo=path with no message; log out goes to /login with no message; the session-ended message applies to any 401 except the probe and logIn (sdd §4.1).
Screen ids S1..S6, D1, D2 are from design/ux/ux-design.md §2. The frozen sdd does not say where Save on edit navigates, so no such edge is drawn; the delete dialog also opens from the detail page per ux-design.md (not drawn).
